LICENSE INFORMATION

Following is a brief summary of some (but not all) of the licensing information applicable to the DataStream services. Please note that this is merely an informational summary. Please refer to the Agreement (see Customer Agreement section below) for complete licensing information prior to signing below.

SAGE Website DataStream

- To power your end-user facing promotional products website only
- Cannot power any third party sites or multiple sites
- Searches must be made live (no caching) unless Local Caching Option purchased
- Confidential data (supplier contact info, net prices, etc.) cannot be disclosed on your site
- Requires SAGE proprietary rights notice on webpages that show data
- Unlimited queries; flat fee

Local Caching Option

- Optional module to permit local caching of product data
- Data must be stored in industry-standard secure data facility
- Cached data must be refreshed at least once per week
- Cached data must be deleted when service expires or terminates
- Local caching is not recommended for typical applications
